

Emanuel Agüero Moya

Alajuela, Costa Rica • www.linkedin.com/in/emanuel-agüero-m • +506 6207 6022 • emanuel260902@gmail.com

Motivated and analytical-minded professional with hands-on experience in web development and digital platforms, including React, Next.js, and content management systems. Strong communication skills and a structured approach to problem-solving, troubleshooting, and translating requirements into functional solutions. Quick learner with the ability to adapt to new tools, analyze data through dashboards and reports, and present technical information clearly and effectively.

PROFESSIONAL EXPERIENCE

ComCreative

Intern Web Developer

San José, Costa Rica

August 2025 – November 2025

- Collaborated with clients to interpret their needs and translate them into functional digital solutions, improving communication and analytical understanding of requirements.
- Identified and analyzed usability patterns across websites, proposing data-driven improvements that enhanced overall user experience and satisfaction.
- Participated in review meetings to clarify requirements, communicate findings, and present progress using clear and structured explanations.
- Diagnosed and resolved website issues by analyzing root causes and documenting solutions, demonstrating attention to detail, problem-solving skills, and a methodical approach.
